

Carnet de Chant	LOVE IS ALL		1/1
		1975	
		R. GLOVER - E. HARDIN	

Everybody's got to live together
 All the people got to understand
 So love your neighbour like you love your brother
 Come on and join the band...

Well all you need is love and understanding
 Ring the bell and let the people know
 We're so happy and we're celebrating
 Come on and let your feelings show

Love is all, well love is all
 Love is all, can't you hear that call
 Love, oh love is all you need,
 Love is all you need at the butterfly ball

Ain't you happy that we're all together
 At the ball in the nature countryside
 And although we're wearing different faces
 Nobody wants to hide

Love is all, love is all
 And it's easy, yes it's so easy
 At the butterfly ball, well love is all
 And it's so easy

All you need is love and understanding
 (Understanding is all we need)
 Hey, ring the bell and let the people know
 We're so happy and we're celebrating
 Come on and let your feelings show

Love is all, yes, love is all
 At the butterfly ball
 Love is great, love is small
 Love is free and love is all
 At the butterfly ball
 When you're back's to the wall
 When you're starting to fall
 You've got something to lean on
 Love is free, it'll make you see
 At the butterfly ball
